3. Safety Shield Global's Commitments

We commit to:

- Process Personal Data only for the specified business purposes including:
 - o Training
 - o General health and safety reviews
 - o Incident investigations
 - o Data encryption at rest and in transit
 - o Daily data backups
 - o Data segregation and isolation
- Encrypt data in rest and in transit
- Conduct daily data backups
- Segregate and isolate data where appropriate
- Assist with data subject requests
- Not transfer Personal Data outside the UK/EEA without your consent
- Delete or return Personal Data upon service termination

4. Security Incident Response

In the event of a Personal Data breach, we will:

- Notify you without undue delay
- Provide detailed information about the breach
- Assist with investigation and mitigation
- Cooperate with regulatory notifications

5. Sub processing

We will notify you of any intended changes concerning sub processors you will have the opportunity to object within 5 working days

current approved sub processors: None

6. Your Responsibilities

You confirm that:

- You are authorised to access the Safety Shield Global platform on behalf of your organisation
- Your use of our services complies with Data Protection Legislation
- You will provide necessary notices to Data Subjects
- You will respond to Data Subject requests with our assistance
